2 CONSENT AGENDA The Consent Agenda permits several items to be reviewed and approved by one motion in order to expedite the meeting. The following items are being submitted for Board approval:

2A. Board Meeting Minutes, May 16th
2B. Bills Presented for Payment

CONSENT AGENDA ITEMS SUBMITTED FOR APPROVAL

C-1 Accept Low Bid for July 3rd Inflatables & Cotton Candy, Carnival Times $1,524.75 Enclosed is Eric's memo recommending acceptance of low bid from Carnival Times for inflatables and serving cotton candy at the July 3rd Celebration, $1524.75—Approval is recommended.

C-2 Accept Lowest and Best Bid for October 8th Kid Fest Inflatables & Rides, Fun Services $8,041.50 Enclosed in C-2 is Eric's memo and bid notice for the October 8th Kid Fest inflatables and carnival rides recommending Fun Services of KC for $8,041.50 as lowest and best bid. Approval is recommended.

C-3 After the Fact Approval PayEst#8, Amino Bros Watson Drive 73% Contract Enclosed is Pay Estimate #8 from Amino Brothers for 75% of Contract on Watson Drive amounting to $371,332.81, which was paid as a contract obligation--

C-4 Proposal to Replace Gear Box on Directional Control Valve in UV Building, Sewer Plant, MidAmericaPump, $2,659.42 Enclosed in C-5 is a proposal from Mid America Pump to replace the gear box on a manually operated directional control valve in the UV Disinfection building—the valve simply became too difficult to turn and Mid America Pump was asked to pull the gear box for repairs—they have found damage that is too expensive to repair—recommending to replace the gear box at a cost of $2,659.42.

Approval of the proposal is recommended.

C-5 Proposal to Repair DeZurik Air Operated Butterfly Valve at Sewer Plant, MidAmericaPump $2,279.29 Also enclosed in C-6 is a proposal from MidAmericaPump to repair one of the City's air operated valves that is no longer seating properly—this is original plant equipment that Mid America Pump has been asked to provide a repair proposal costing $2,279.29.

Approval is also recommended.

C-6 Resolution Authorizing MoDOT Agreement on Noise Ordinance Signs on State ROW Enclosed is a proposed resolution authorizing an agreement with MoDOT concerning Noise Ordinance signs placed on State ROW—the City must place, maintain, and hold

liability. Attached Exhibit B shows the proposed five locations for the "Noise Ordinance Enforced" signs.

Approval is recommended.

C-7 Bookshelf Replacement in Conference Room, $1,689.96, Nebraska Furniture Mart The Conference Room bookshelves need replacement—enclosed is a bid tab showing the most expensive as our preference (as it is pre-assembled!) from Nebraska Furniture Mart delivered for $1,689.96—we should have sufficient funds in the building maintenance budget for the shelves.

Approval is recommended.

MAYOR'S REPORT

4A Greg Kendall, Report on Sewer Plant Air Diffusers Repairs Greg Kendall will report the treatment basin air diffusers and our discussions with the general contractor, Irvinbilt.

4B Fema Grant $3,832.92 for Raising Lift Station Panels, Totaling $24,403.76 Federal Aid We believe FEMA did their very best in helping the City obtain the maximum allowable aid for damages sustained from last year's floods—we have received the final authorization for aid--$3,832.92 toward the cost of replacing the lift station panels support poles (they had initially told us much of this work was mitigation).

With this payment, we have received a total of $24,403.76 as contributions to $32,538.34 in permitted project costs. We appreciate the support received from our Clay County government and State government in preparing and securing public disaster relief funding, and of course, to our Federal officials for guiding us through the process.

5A Bill Shull, 1805 Paddock Drive, Request Permission to Conduct a Class C Fireworks Display in Beverly Park Subdivision on July 2nd
Bill Shull, 1805 Paddock Drive, is seeking permission from the Board to conduct a Class C Fireworks Display in Beverly Park Subdivision on July 2nd—he has long conducted these permits, as he maintains a pyrotechnics license permitting him to handle commercial fireworks.

The fireworks ordinance requires the Board to issue permits for public fireworks displays, and a motion should be made for approval of Bill Shull's request:

210.205G. *Public Display of Fireworks.* The City Council may permit a public display of fireworks by a non-profit organization by properly qualified individuals under the direct supervision of the Fire Department in the handling of fireworks, provided that such display or displays shall be of such character and so located, discharged or fired, as in the opinion of the Council, shall not be hazardous to the surrounding property or endanger the health or safety of any person. A request to the City Council must be made in writing by May thirty-first (31st) of the year, the display is to take place.

210.205 H. *Use of Fireworks by Individuals.* No fireworks may be fired or discharged except on the individuals own property or with the permission of the property owners. Fireworks may be discharged from June twenty-eighth (28th) to

July third (3rd) between the hours of 9:00 A.M. to 10:00 P.M. On July fourth (4th) fireworks may be discharged between the hours of 9:00 A.M. to 11:00 P.M. No person shall discharge any fireworks in such a manner as to threaten or to injure another. Fireworks may be discharged at other times and places with the permission of the City.

5B Joe Wilmes, Rotary Club, Proposal for Basketball Court in Lion's Park Joe Wilmes will present a request from the Rotary Club to construct a basketball court West of the Bandstand (at Clark and 2nd Street) in Lion's Park.

The Park Board has heard and approved the request, which is relocation at the request of the Kearney Enrichment Council, who was proposing other uses in the original location approved by the Board on 1st Street, west of Beer Creek.

Approval is recommended.

5C Melissa King, CRK, LLC dba Cellar and Loft, 103 S Jefferson, Suite A, Liquor License App. Good news! The Corby King family has acquired the Cellar and Loft brand and intends to reopen in the Old Church Plaza.

Melissa King is the managing officer (daughter of Corby King)—her liquor license application is enclosed and complete.

Approval is recommended.

5D Jenny Hayes, Kearney Enrichment Council, July 9th Beer Creek Block Party and K-Town Bunko Throwdown fundraiser, Request Liquor Consent Letter The Kearney Enrichment Council is planning a July 9th Beer Creek Block Party and K-Town Bunko Throwdown fundraiser.

They are also celebrating the arrival of Rock-N-Run brewery, which has acquired the J & K Auto Building on Washington, who has offered to participate in the fundraiser by selling their craft beer at the event on July 9th.

Jenny is requesting a liquor letter of consent for Rock-N-Run to secure a special event liquor license for that day. This is very similar to the letter of consent we provide the Festival Committee each year—a proposed letter is enclosed and recommended for approval.

8A. Release Laffey Brothers Farms, Inc. from Westwood Development Agreement, Proposed Resolution Enclosed is a proposed resolution releasing Laffey Brothers Farms, Inc. from the Hills of Westwood Development Agreement (Res 24-2001, also enclosed).\

The 2001 development agreement was to establish some obligations for the private developer to make off site public road improvements based on a traffic study completed at the time.

Laffey Brothers Farms, Inc. lost the bulk of the land through foreclosure proceedings during the Great Recession. The City had no expectation of continuing obligations from Laffey Brothers, as the 2001 development agreement states that successors and assigns (future owners) will be responsible for assuming those public infrastructure improvements.

Chris Shipley and Craig Porter are proposing to purchase a small section of undeveloped Village of Westwood area, and Don Laffey is requiring this release. The release does not affect obligations of Shipley and Porter, but we must respect the fact that new developers cannot be held fully responsible for the obligations on existing developed lots.

The 2001 development agreement for Westwood placed triggers for road improvements to be made, meaning certain road improvements would be made upon development of a certain number of lots—this method simply did not work.

Staff will be recommending implementation of traffic impact fee assessments to be collected at building permit issuance rather than timing improvements with phases or number of lots. We have a tentative understanding with Shipley and Porter that the amount is $2,000 per lot—the City Attorney is working on a draft development agreement, which will be presented, at a future meeting.

In the interest of facilitating the transfer of land and continued development in Hills of Westwood, it is recommended the Board approve the release.

May 16, 2016

The Board of Aldermen, City of Kearney, Missouri, met in regular session at Kearney City Hall, 100 East Washington, May 16, 2016 at 6:30 P.M. with Mayor Dane presiding. Members present were Dan Holt, Eric Shumate and Gerri Spencer. Marie Steiner was absent. Staff members present were Jim Eldridge, David Pavlich, Eric Marshall and Shirley Zimmerman.

Mayor Dane opened the meeting with the Pledge of the Allegiance.

AMEND AGENDA A motion was made by Alderman Holt and seconded by Alderman Spencer to amend the Agenda by removing C-1 and C-2 from the Agenda. The motion carried unanimously.

CONSENT AGENDA The following items were submitted for the Board of Aldermen to approve:

- Minutes for the May 2, 2016 meeting
- Bills presented for payment
- **Resolution No. 12-2016** Kearney Holt Community Theater In the Park Contract July 15th & 16th, $6,000
- **Resolution No 13-2016** Contract with Lions Club to host Annual Wine Tasting Event June 4th
- **Resolution No. 14-2016** Contract with Transystems for Clear Creek crossing trail & pedestrian bridge project
- Accept Commenco-Motorola Solutions State Bid Pricing for 20 Handheld Radios $45,178.20
- Accept Mid America Pump Proposal, $3,998.92, Upsize 6" Influent Suction Pipe to 8" in Sewer Plant Headworks

A motion was made by Alderman Spencer and seconded by Alderman Shumate to approve the Consent Agenda as amended. The motion carried unanimously.

ADMINISTRATOR'S REPORT

2015 SEWER RATE INCREASE NOT IMPLEMENTED Staff reported that when implementing the 2016 Water and Sewer Rate increases, it was discovered that last year's 5% sewer rate increase had not been implemented on residential customers. The increase would have generated approximately $28,000 in revenue. Also, the 2015 water rate increase did not get implemented on Tax Exempt water customers. That increase would have generated an additional $2,000 revenue.

Staff said with this increase in this year's budget we would like to move forward with GIS mapping of our water meter valves, hydrants and sewer manholes.

GIS MAPPING OF WATER VALVES, HYDRANTS AND SANITARY SEWER MANHOLES Staff reported that our water department personnel had a very difficult time isolating the water line break on 19th Street earlier this year, which caused us to call a boil order over the Easter weekend.

GIS MAPPING OF WATER VALVES, HYDRANTS AND SANITARY SEWER MANHOLES-CONT Staff said part of the problem was incomplete water system mapping. The Fire District is also in need of better information on the City's fire hydrants for its records and to help the City qualify for a lower ISO rating, which helps lower some residential and commercial insurance rates.

We also need to GIS map our manholes within the City's sanitary sewer system, to aid in maintenance and operations. Therefore, it is recommended Staff be authorized to seek proposals for GIS mapping, to be considered by the Board at a future meeting.

MODOT PROPOSING TO ELIMINATE SMALL URBAN TRANSPORTATION PROGRAM Staff presented a memo from David Pavlich reporting the sad news that MODOT will be eliminating the Small Urban Transportation Program, which the City accumulates approximately $16,000 per year.

This has paid for nearly all of the cost of the Jesse James Park decal lane on North 33 Highway, substantial portion of the engineering on the 19th Street bridge replacement, turn lanes and decal lanes at Meadowbrook Drive and 33 Highway and the engineering and City's share of the Elementary School crosswalk on 33 Highway.

SEWER PIPE BREAK Staff reported that we had a pipe break for no known reason in one of the basins at the sewer plant. It will have to be pumped out and taken apart.

We have a quote from Aeration Works to do the repairs for $10,879.88. They also gave us a maintenance price of $7,553.97.

Our engineer is looking at this for us. We believe that there should have been brackets installed to support the pvc pipes. The repairs will include brackets.

Mayor Dane said as soon as we get this one fixed we should lower the other two basins, one at a time, and installed brackets to prevent this from happening again.

Alderman Holt asked who installed this. Staff said it was a subcontractor working for Irvinbilt. Jay Bettis, Director of Utilities & Streets, said he has contacted Irvinbilt and he believes they should share in the cost of the repairs.

It was decided to have Greg Kendall, Larkin engineer, come to the next meeting.

A motion was made by Alderman Spencer and seconded by Alderman Shumate to declare this an emergency repair and authorize the repairs with Aeration Works at a cost of approximately $19,000. The motion carried unanimously.

PUBLIC REQUESTS & PETITIONS

HIGH SCHOOL TENNIS COURTS, COMMERCIAL SITE PLAN Staff presented a site plan for a tennis complex consisting of nine courts to be located just South of the Varsity football field.

The Planning and Zoning Commission at their May 9th meeting, voted unanimously to recommend approval of the site plan with it including that future development of the adjacent school property to include parking spaces to accommodate the tennis courts.

Alderman Holt said it was discussed at the Planning and Zoning Commission to add two handicap parking spaces at the North end of the front parking lot of the Junior High Building.

Dr. Nicely, Kearney R-1 School District, said they are in favor of the handicap parking spaces at the North end of the parking lot because they will be straight across the road from the tennis courts. He said they also talked with the City aquatic center engineer and they said if it was placed at the very North part of the property it wouldn't interfere with the center being built on the property.

A motion was made by Alderman Holt and seconded by Alderman Spencer to approve the Kearney R-1 School District site plan for a tennis complex consisting of nine courts to be located just South of the Varsity football field contingent upon meeting all Staff comments. The motion carried unanimously.

K & R WHOLESALE, 990 PREMIER DRIVE COMMERCIAL SITE PLAN Staff presented a commercial site plan for a 2500 square foot building addition to the K & R Wholesale building at 990 Premier Drive in Innovations.

At their May 9th meeting, the Planning and Zoning Commission unanimously recommended approval of the site plan.

Ryan McGinnis, Engineering Solutions, said they may decide to remove the driveway at the back corner of the lot in the future.

A motion was made by Alderman Holt and seconded by Alderman Shumate to approve the commercial site plan for a 2500 square foot building addition to the K & R Wholesale building at 990 Premier Drive in Innovations, contingent upon meeting all Staff comments. The motion carried unanimously.

OLD BUSINESS

ORDINANCE FOR AUG. 2ND ELECTION ON MOTOR VEHICLE SALES TAX
Mayor Dane said the Governor has signed a bill extending the Motor Vehicle Sales Tax ballot question an additional two years.

A motion was made by Alderman Spencer and seconded by Alderman Holt to table the issue indefinitely. The motion carried unanimously.

NEW BUSINESS

RESTRICTING USE OF ENGINE COMPRESSION BRAKES Bill No. 09-2016, an **ORDINANCE NO. 1305-2016** ordinance repealing Ordinance 766-98 and Municipal Code 380.230 and enacting a new Section 380.230, restricting the use of engine compression brakes engine and declaring such use is excessive noise, was presented and read by Title only.

A motion was made by Alderman Holt and seconded by Alderman Steiner to approve the ordinance as read on the first reading. The motion carried by a vote of three to zero and Eric Shumate voting aye by phone.

A motion was made by Alderman Spencer and seconded by Alderman Holt to place Bill No. 09-2016 on its second and final reading. Said Bill was thereupon read and considered, and was duly passed by the following roll call vote: Voting for the Motion: Spencer, Holt and Shumate. The motion carried by a three to zero vote. The Bill was then duly numbered **Ordinance No. 1305-2016.**

Staff said we will contact MoDOT to put up signage in the area.

AMINO PROPOSAL TO REPAIR SEWER PLANT ROAD Staff presented the proposal from Amino Brothers that was approved by FEMA/SEMA to repair the sewer plant culvert road.

Staff said Amino was the low bidder from three proposals secured to replace the culvert on Glenside. Staff said we went back to them to pare down the work simply to the work that was eligible for reimbursement.

This repair will get the road back in place and that is what is needed at this time.

A motion was made by Alderman Spencer and seconded by Alderman Holt to accept the proposal from Amino Brothers that was approved by FEMA/SEMA to repair the sewer plant culvert road. The motion carried unanimously.

ADJOURNMENT There being no further business on the agenda, a motion was made by Alderman Spencer and seconded by Alderman Holt to adjourn. The motion carried unanimously.

The following bills were presented for payment at the May 16, 2016 meeting:

Billy R. Dane, Mayor Jim Eldridge, City Clerk

KEARNEY AREA DEVELOPMENT COUNCIL
BOARD OF DIRECTORS
May 13, 2016

Roll Call: Joe Wilmes presiding, Kim Murphy, Larry Pratt, Jared Wolters and Jim Eldridge.

Approval of Minutes: A motion was made by Kim Murphy and seconded by Jared Wolters to approve the minutes of the April 8, 2016 meeting as presented. The motion carried unanimously.

Treasurer's Report: Shawna Searcy presented a Treasurer's Report showing balances and any bills paid or deposits made in the last month and will be attached to the minutes.

The Bank balance is $61,354.98.

A motion was made by Kim Murphy and seconded by Jared Wolters to receive the Treasurer's Report and ratify the payment of the bills as presented. The motion carried unanimously.

OLD BUSINESS

LINE OF CREDIT Joe Wilmes said we need to extend the Line of Credit at Kearney Trust Company.

A motion was made by Jim Eldridge and seconded by Kim Murphy to extend the Line of Credit and authorize Jim Eldridge and Larry Pratt to sign it. The motion carried unanimously.

NEW BUSINESS

DETENTION TRACT UPDATE Shawna Searcy reported that we ask Brian Donahue to look at this project again but he declined. He recommended that we hire someone and suggested it be David Flick with Terra Technologies.

Dan Miller, LRA-Inc is much respected in this field and he said Terra Technologies is very well versed in how the Corps and MDNR function.

A motion was made by Jim Eldridge and seconded by Larry Pratt that we accept the proposal from Terra Technologies and do as they say and authorize Joe Wilmes to sign the proposal. The motion carried unanimously.

ECONOMIC DEVELOPMENT REPORT

KADC TRDADE JOB FAIR UPDATE Shawna Searcy said Chris Shipley had suggested that we do a Trade Job Fair and we had set a date of June 11, 2016. She said the School District will invite students to attend this.

Shawna Searcy said at this time she is having trouble getting ten vendors to be at the Job Fair. She said she is considering moving it to a much later date.

MEMBERSHIP Shawna Searcy said the membership decals are in and she will be making visits to the members and giving them their decals.

SCHOLARSHIP Shawna Searcy said the winners of the scholarships this year are Gannen Rinck and Carson Eshenroder. She said she will be presenting them next Tuesday at the High School.

TRAINING & SCHOLARSHIPS Shawna Searcy said she received a scholarship for the IEDC training. She said she will only have to pay for travel.

Shawna Searcy said she won't be going to the Las Vegas conference but would like to attend the ICSC Dallas Conference. She said Adam Lyngar recommended it. She said she gained a lot of information from the Las Vegas Conference.

A motion was made by Jim Eldridge and seconded by Kim Murphy to authorize Shawna Searcy to attend the IEDC and ICSC Conferences. The motion carried unanimously.

WORKSHOP SURVEY & MARC PROJECTS Shawna Searcy reminded everyone that they can go to the website and do a survey for the City Comprehensive Plan. She said everyone also needs to go to MARC and make comments on the four projects the City has submitted to them for consideration.

EXECUTIVE SESSION At 7:30 A.M., a motion was made by Kim Murphy and seconded by Jared Wolters to meet in closed session and that all records and votes, to the extend permitted by law, pertaining to and/or resulting from this closed meeting be closed under Section 610.021, subsection (2), for the purpose of discussing real estate. Voting for the motion: Kim Murphy, Joe Wilmes, Jared Wolters, Jim Eldridge and Larry Pratt. Motion carried by a five to zero vote.

The meeting reconvened at 7:55 A.M. with no action being taken in executive session.

NEXT MEETING The next meeting will be June 10, 2016 at 7:00 A.M. at Kearney City Hall.

ADJOURNMENT There being no further business on the agenda, a motion was made by Kim Murphy and seconded by Larry Pratt to adjourn. The motion carried unanimously.

Re: Revised Inflatable and Mechanical Rides Contracts

After the May 16th, Board of Aldermen meeting, there was concern about the contracts for the inflatables and mechanical rides we rent for the July 3rd Fireworks event, and our October 8th Kids Fall Fest Event. Brian Hall marked through the original contracts that we wanted and needed wording changed, so not to put the risk liability at the City of Kearney, Linda Minson, who looked at the insurance stipulations and the correspondence of emails of all involved. I am now enclosing the updated contracts with insurance certificates, and getting the updated insurance certificate from Fun Services. I am once again recommending that we rent the inflatables from Carnival Times for July 3rd and Fun Services for our Kids Fest on October 8th. Again the information is included.

Thank you,

Eric Marshall

RESOLUTION NO._____

A RESOLUTION AUTHORIZING THE MAYOR TO SIGN A CONTRACT WITH CARNIVAL TIMES TO PROVIDE INFLATABLE TOY RIDES FOR THE JULY 3RD CELEBRATION

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF KEARNEY, MISSOURI, AS FOLLOWS:

Section 1. The Mayor is hereby authorized to sign the attached contract with Carnival Times to provide inflatable toy rides at the annual July 3rd Celebration, attached and made part of this resolution as if wholly re-written herein, for a not to exceed price of $1,524.75

Section 2. Said contract has been modified to conform to requests made by the City's insurance provider and the City Attorney.

Section 4. This resolution shall be effective immediately upon passage.

PASSED AND RESOLVED BY THE BOARD OF ALDERMEN OF THE CITY OF KEARNEY, MISSOURI, AND APPROVED BY THE MAYOR THIS _____ DAY OF _____, 2016.

So long as the word "Contractor" means Carnival Time (should be clarified) it is a vast improvement. If not we will need to revise the language. If their Acts of God statement makes them happy I'm okay with it. It would seem to be a defense they would use in a lawsuit against a third party. Not sure why its in this contract. Linda, would welcome your thoughts. Brian

Re: Kids Fest Event

We advertised for bids for mechanical and inflatable air toys for our annual October Kids Fest event in Jesse James Park. We received three vendors with actual bids, as some companies do not offer mechanical rides. Ryan and I would like approval of the Fun Services bid, in the amount of $8,041.50. We have used Fun Services in the past with great success. Funding for this event will come from the line item "Day in the Park" in the Park Department budget.
I will be in attendance if you have any questions.

Thank you,

Eric Marshall

Mike, I am taking the new contract you sent back to me with the changes from our City Attorney for our Kids Fest on October 8th here in Kearney, to the Kearney Board of Aldermen meeting for approval on Monday night, June 6th. I will let you know the outcome on Tuesday or Wednesday. I appreciate you making the changes for me.

Our insurance representative noted that different parts of your insurance renews at different times throughout the year...one part renewed on June 1st....which was the automobile liability, and the second part is the work comp portion which renews in September. I will need an updated insurance policy from you for sure.

Thanks so much.
Eric

It looks good to me now assuming they have adequate insurance and list us as an additional party insured. Brian

Eric – as usual, without the full policy I cannot say that we are 100% OK. I would like for you to get a new certificate right before the event. Some of the coverage renews in June and some in September. Also, see if they will change the additional insured/certificate holder to just read City of Kearney.

Brian – The liability limit is 1,000,000 per occurrence. They also carry an accident policy for a limit of $10,000.

I'm happy that we got them to amend that awful hold harmless wording.

CUSTOMER AGREEMENT

This contract is made and entered into by City of Kearney Parks and Rec, (hereafter referred to as "customer"), and Fun Services of KC LLC, and it mutually agreed that the contract shall be subject to the information on this contract.

DEPOSIT: A non-refundable, 50% deposit of $4,079.40 (50%) shall be remitted to and in the name of Fun Services of KC LLC at 7803 Meadow View Dr Shawnee, KS 66227, upon signing of this contract. Price includes cost ($8,158.80) and(7%)sales tax ($0.00), totaling ($8,158.80). When booking any equipment with Fun Services more than 6 months in advance a 50% deposit is required 30 days after reservation is made. If no deposit is received after 30 days AND Fun Services receives a request for equipment of your reservation, you will be given 3 business days to pay your 50% deposit (50% of entire amount owed), if no deposit is received Fun Services reserves the right to remove equipment from your order. The rental fee of **($8,158.80)** is payable in full in advance and all of customer's obligations of this rental agreement shall run from actual delivery of the rental equipment to the actual pick up of the rental equipment by Fun Services. **If the equipment is delivered by Fun Services and accepted by customer, the customer shall not be entitled to any refunds whatsoever, even if customer elects not to use the equipment due to weather or other causes, unless equipment is faulty. Faulty equipment must be reported DURING the event, not afterwards, in order to qualify for a partial or full refund. No refunds for any equipment that does not fit at your event site.** Any order over $500.00 and paid with a credit card is subject to a 3% surcharge. Any remaining balance is due to Fun Services of KC LLC upon delivery. Fun Services reserves the right to refuse set-up if payment is not made prior to event. If this payment is not available at time of event, arrangements need to be made in advance with Sales Representative. All orders require a credit card on file if 100% of amount due is not paid before delivery. City of Kearney Parks and Rec agrees any balance due will be charged to this credit card on the next business day is full balance is not paid. All discounts will be removed if payment in FULL if not made on the day of the event.

POWER REQUIREMENTS: Generators may be rented from Fun Services of KC LLC prior to event set-up. If Fun Services is not renting generators to City of Kearney Parks and Rec then it is City of Kearney Parks and Rec's responsibility to find out how much power is needed to safely operate the items rented from Fun Services of KC LLC and to have that power available to us upon arrival for set-up. City of Kearney Parks and Rec, must have one 20-amp circuit breaker for each blower or equipment rented in order to run effectively. If City of Kearney Parks and Rec, does not have 20-amp circuit breaker, Fun Services of KC LLC will not be responsible for inconsistent running of the blowers or equipment. In addition, Fun Services of KC LLC equipment cannot be set up further than 80 feet away from the electric source. If items cannot be set-up due to insufficient power, City of Kearney Parks and Rec agrees to be obligated to pay the total due under this agreement once delivery of the rental equipment has been undertaken, as per cancellation policy below.

PICK UP REQUIREMENTS: If City of Kearney Parks and Rec is picking up any item from our offices, it is City of Kearney Parks and Rec's responsibility to find out what type of vehicle is needed to pick it up. Fun Services of KC LLC can load your vehicle for you, but is not responsible for damage caused to vehicle in doing so. If a vehicle is too small to be loaded, you may be asked to come back with a bigger vehicle so as not to damage the rental item or the vehicle.

SERVICES, FEES, LOCATION: On 10/8/2016 from 01:00PM-04:00PM, at 3001 North Highway 33 Kearney, MO 64060 Fun Services of KC LLC will provide City of Kearney Parks and Rec with the following:

CONTACT INFO: : City of Kearney Parks and Rec, 816-903-4724 , agrees to be responsible for any damage to Fun Services of KC LLC equipment, if damage is caused by City of Kearney Parks and Rec. Customer understands and acknowledges that play on an amusement device entails both known and unknown risk including, but not limited to, physical injury from falling, slipping, crash, or colliding, emotional injury, paralysis, distress, damage or death to any participant. I agree that if any portion of this agreement is found to be void or unenforceable, the remaining portion shall remain in full force and effect. A set of rules and directions are either displayed on all of the moonwalks/inflatable units, or have been provided to the undersigned which customer agrees to follow and utilize at all times during the operation and use of the unit. This contract contains the entire agreement between the parties and shall not be enlarged or modified except in writing, and signed by all appropriate parties.

EQUIPMENT PROBLEMS / INFLATABLES: Should any equipment develop a problem, or does not function correctly at any time, or customer does not understand the operating instructions, customer agrees to immediately cease use of that equipment. In particular, if the inflatable unit begins to deflate, customers will immediately have the riders exit the unit, and then check for one the following conditions: 1) the motor has stopped, in which case check the power cord connection at the outlet where the unit plugs into the house to make sure it has not been unplugged. 2) If motor continues to run, check for blockage of the air intake screen on the side of the blower unit. Also, check both air tubes on the back of the unit for snugness and tighten the ties if necessary. 3) If either of these steps corrects the problem, fully inflate the unit prior to permitting anyone to use the unit. 4) If you cannot correct the problem, call our office immediately at 913-441-9200. An extra charge is applied for deliveries with set up requiring stairs, elevators, and long distances from the truck. If customer is not present at time of delivery and/or pick-up, equipment count is deemed correct and in good working order.

SAFETY / OPERATING INSTRUCTIONS / INSURANCE: In addition to the information set forth in this agreement, the customer acknowledges that there are safety and operating instructions printed on the side of some equipment delivered, or on nearby provided signage, and agrees to read those instructions and operate the equipment, or allow the equipment to be operated or used, in accordance with those instructions. Customer further acknowledges and understands that if Fun Services has not agreed to provide any operators for the rental equipment in this contract, that customer, is solely responsible for the correct and safe operation of this equipment. Customer understands that children's safety depends upon customer providing AT ALL TIMES correct operations of and the use of the equipment. Customer further agrees to keep ALL equipment away from swimming pools, and customer understands and agrees that they will not operate any electrical equipment near water. By entering into this agreement, customer acknowledges that there is a risk of injury or damage arising out of the use of this equipment. Customer voluntarily agrees to keep and maintain ALL safety rules for the correct, safe operation and installation and use of all equipment, and to assume any and all risk of injury or damage. In particular, customer will not permit the equipment to be operated by anyone who is not fully qualified, and who has not received instructions from customer on the safe operation and use of the equipment, nor shall customer allow any persons to use or operate the equipment when it is in need of repair, or it is in an unsafe condition or situation. Fun Services carries proper insurance for all employees, vehicles, and equipment.

CANCELLATION / INCLEMENT WEATHER POLICY: If event is cancelled outside of 30 days from the start date of the event, the 50% deposit will be refunded, upon customer's request. Otherwise it will be applied to a future event within 12 months of the cancelled event. If event is cancelled, for any reason, within 30 days of the event, deposit cannot be refunded but will be applied to a future event within 12 months. **In case of a cancellation due to rain or inclement weather, please call Fun Services of KC LLC at least 12 hours before your scheduled delivery time so that we can cancel the delivery of your rental and save you the delivery / service charge. This does NOT mean 12 hours before your event. Scheduled delivery time may be more than 12 hours before the start of your event. Although we work with you to deliver at a convenient time, delivery times are at our discretion. It is your responsibility to call us for delivery times for your event.** If delivery drivers, entertainers, or other Fun Services Representatives arrive to your event and are sent away due to cancellation, and haven't been told to set up yet, or haven't begun to unload their vehicle, then deposit will be credited (no balance will be due on the event) but a delivery/service charge will apply. Entertainers are reserved for your event when you book them. So, if an entertainer is cancelled within 14 days of your event, up to a full fee for that entertainer may be charged, in most cases 50% of the fee will be charged. **If delivery drivers, entertainers, or other Fun Services Representatives arrive to your event and are asked to leave due to inclement weather, you will only lose the delivery fees. If they are told to set up and begin to unload vehicle, full payment is due at that time. Fun Services reserves the right to not set up if payment, in full, has not been made prior to the event.** Any other special cancellation provisions are at the determination of Fun Services Management and Owner. All credits are only good for Fun Services owned equipment Credits cannot be used towards vendor items or staffing. On Ultimate Carnivals, we reserve the right at any time to change, add, or cancel equipment for any reason without penalty to event payment.

to David, me

David,I was actually trying to get this turned in before the meeting last night. I had waited to turn in April's work until the middle of this month so I didn't confuse anyone further since we had a pay application still unpaid. But with no other council meetings until June 6 I will just turn in one pay estimate for 2 months at the end of May.Thanks

Re: Pratt Gear Box
Wastewater Plant

Jim,
The gear box on the proposal is located on the directional control valve that directs the flow into the UV track or out of the UV track. This valve is used and operated often and it has become hard to open or shut. We feel that replacement of the gear box is the best option.

Thank you for your consideration and approval.

Description of Problem

This is for repair or replacement of the Pratt gear box on the valve for the UV building.

Repair Description

Scope of work completed: Remove the actuator from the valve for inspection at the shop; tear down and inspect the unit at our shop. **At that point we found that the gear shaft bushing was galled and so was the fit of the gear box housing; alignment bushing are also worn**

Scope of work to be done: repair the existing gear box or replace it; to repair the gear box would include some machine work and bushings, gear shaft from the factory and labor; to replace would include new gear box assemble and labor to install and make it as water tight as possible.

Repair of gear box to include:
Gear shaft and bushing assembly
alignment bushings
machine work to repair gear box housing
orings and gaskets
Labor to perform all the work stated above
MLS and truck charges

Replacement of gear box to include:
Labor to remove and inspect the old valve
New gear box assemble
Labor to install and test
MLS and truck charges

Lead time on parts or new replacement gear box is 1-2 weeks

Does not include anything not listed above, please see terms and conditions to the right

Re: Butterfly Valve Repair
Wastewater Plant

Jim,
The repair proposal from Mid-America Pump for the DeZurik air valve is for the #3 basin. This is an original valve to the plant and doing a repair job will eliminate having to change the whole valve out. The problem with changing the whole valve is the newer valves have a different dimensions and we would also have to do some pipe changing. We feel that the repair is the best option. This valve will not completely shut down the air to the basin at the present time. This is causing problems during the settling cycle on the basin.

Thank you for your consideration and approval.

Description of Problem

This is for repair of the DeZurik air operated butterfly valve at the WWTP.

The new style butterfly valves are not dimensional interchangable with the old valve. This would mean that not only we would we have to buy a complete valve and actuator assembly but there would also have to be some piping modifications.

Repair Description

Scope of work, will take 2 men to do this: Remove the existing valve and install a blind flange on the end of the pipe so the air can be turned back on; remove the actuator from the valve and then disassemble and replace the seat of the valve; reassemble the unit and reinstall the valve and test

Proposal to include:
1 seat repair kit
Labor to perform the work stated above
MLS and truck charges

Lead time on repair kit is 5-6 weeks

Does not include anything not listed above, please see terms and conditions to the right

MISSOURI HIGHWAYS AND TRANSPORTATION COMMISSION
AGREEMENT FOR SIGNING INSTALLED AND MAINTAINED BY APPLICANT

THIS AGREEMENT is entered into by the Missouri Highways and Transportation Commission (hereinafter, "Commission"), whose address is P.O. Box 270, 105 W. Capitol, Jefferson City, Missouri 65102, and **City of Kearney** (hereinafter, "Applicant"), whose address is **100 E. Washington St., Kearney MO 64060**.

WITNESSETH:

WHEREAS, Applicant requests approval from the Commission to install and maintain certain signs further described below in **Clay** County, Missouri on **MO 92 & MO 33** in the general vicinity of **City Limits and as shown in Exhibition B**; and

WHEREAS, the Commission is willing to approve the Applicant's request subject to the terms and conditions of this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants, promises and representations contained herein, the parties agree as follows:

(1) LOCATION AND DISPLAY: The Applicant hereby requests that the Commission allow Applicant to construct, install and maintain the following sign(s):

- ❑ Blue Star Marker(s)
- ❑ Buckle-Up Signs(s)
  Community Awareness Sign(s)
  - ❑ DARE Sign(s)
  - ❑ Drug Free School Zone Sign(s)
  - ❑ Tree City USA Sign(s)
  - ❑ Disaster Resistant Community Sign(s)
  - ❑ Storm Ready Community Sign(s)
  - ❑ Other Community Awareness Sign(s) approved by the Commission's State Traffic Engineer

  Local Reference Signs
  - ❑ City Hall/County Courthouse Signs(s)
  - ❑ Police Station/Sheriff's Department Sign(s)
  - ❑ City/County Park Sign(s)
  - ❑ Library Sign(s)
  - ❑ Recycle Center Sign(s)
  - ❑ Compost Site Sign(s)
  - ❑ Other Local Reference Sign(s) approved by the Commission's State Traffic Engineer
- ❑ Bus Stop/Mass Transit Sign(s)
- ❑ Neighborhood Watch Sign(s)
- ☑ Noise Ordinance Sign(s)
- ❑ Other sign(s) approved by the Commission's State Traffic Engineer

(A) The sign(s) design will follow the guidelines and regulations of the Federal *Manual on Uniform Traffic Control Devices* (MUTCD) and the Commission's *Signing Manual* for size, color and reflectorization. The sign(s) shall read as displayed in Exhibit A.

(B) The sign(s) will be generally located as illustrated in Exhibit B. The Commission will approve final location prior to installation.

(C) The signs will be displayed:

☑ Year round
❑ Seasonally
from _____ to _____

If the sign(s) is/are to be displayed seasonally, that the Applicant shall cover or remove the sign(s) during periods of non-use.

(2) INSTALLATION: The signs shall be installed on a post supplied by the applicant and shall not be attached to Commission's pole or traffic control devices. The post shall include a breakaway post assembly, in accordance with Commission requirements. The Applicant shall provide plans with the specific location details of the sign installation for approval by the Commission prior to installation. All costs associated with this installation shall be borne by the Applicant.

(3) TRAFFIC CONTROL: All work zone signs and traffic control devices to be used during installation and maintenance shall be in accordance and comply with the latest revision of the Manual on Uniform Traffic Control Devices for Streets and Highways or as directed by the District Engineer or his authorized representative

(4) PERMIT: Before beginning installation work, the Applicant shall secure a permit from the Commission's District Engineer for the installation of the proposed sign(s). The Applicant shall comply with any additional requirements placed on the issuance of the permit by the District Engineer. The Applicant may provide written authority to the Commission's District Engineer enabling its contractor to obtain the permit as an agent for the Applicant. If required, separate permit(s) for future maintenance will be issued.

(5) COSTS: If this request is approved, all costs associated with the construction, installation, maintenance, or relocation of the sign(s), including, but not limited to work zone signing and traffic control during construction will be borne entirely by the Applicant, with no cost incurred by the Commission. In the event the Commission incurs any costs in association with the performance of this Agreement, the Applicant shall reimburse the Commission for those costs.

(6) HIGHWAY SPECIFICATIONS: All work done pursuant to this Agreement shall be in accordance with applicable portions of the latest editions of the Missouri Highways and Transportation Commission's *Standard Specifications for Highway Construction* and the *Standard Plans for Highway Construction*. The Applicant shall provide a copy of its contractors certification of material used to the Commission.

(7) MAINTENANCE: Applicant shall maintain signs following the guidelines of the Federal *Manual on Uniform Traffic Control Devices* (MUTCD) and the Commission's *Missouri Signing Manual* for reflectivity, alignment, and placement. The Commission may request maintenance of the signs by the Applicant, at the Applicant's expense, and the Applicant shall promptly comply with the Commission's request for maintenance of the signs. Failure by the Applicant to complete requested maintenance within 14 calendar days from Commission's request shall be grounds for removal of all signs installed by the Applicant.

(8) MAINTENANCE BY APPLICANT WITHIN COMMISSION RIGHT OF WAY: In order to coordinate maintenance activities on the sign(s), the Applicant shall notify the Commission either by telephone, telefax, or in writing, prior to performing maintenance work within Commission right of way. Such notification shall be made to the Commission's District Engineer or a designated assistant, and shall include the location and nature of the work to be performed. Any maintenance activities done by the Applicant which involves closing one or more of the through lanes, affects the safety of the traveling public, or which will cause permanent changes to the configuration of the improvement, may require a permit from the Commission. The Applicant will be informed of whether or not a permit is required at the time the Applicant notifies Commission of the proposed maintenance activities. The Applicant shall comply with any additional condition placed upon the issuance of the permit.

(9) REMOVAL:

(A) If the Applicant fails to comply with the provisions stated herein regarding the maintenance responsibilities, the Commission may remove the sign(s).

(B) If the Commission, in its sole discretion, determines that the sign(s) is no longer justified, the Commission may remove the sign(s).

(C) If the Commission, in its sole discretion, determines that the sign(s) should be removed or eliminated as part of a highway or transportation project, the Commission may remove the sign(s).

(D) If the Commission, in its sole discretion, determines that the removal of the sign(s) from the Commission's right of way is in the best interests of the state highway system, the Commission may remove the sign(s).

(E) If the Commission removes the sign(s) in accordance with any provision of this Agreement, the Commission will not reimburse the Applicant for the cost or value of the sign(s).

(10) APPLICANT'S RESPONSIBILITIES: The Commission may request the Applicant modify the sign(s) when necessary to comply with changed standards that might be promulgated or adopted at the Applicant's cost and Commission may request the Applicant to relocate the signs to accommodate the need to install signs the Commission, in its sole discretion, deems more appropriate at the Applicant's cost. Should the Commission make either request, the Applicant shall comply with the Commission's request within 14 calendar days.

(11) APPLICANT'S REPRESENTATIVE: The Applicant's (Coummunity Development Director) is designated as the Applicant's representative for the purpose of administering the provisions of this Agreement. The Applicant's representative may designate by written notice other persons having the authority to act on behalf of the Applicant in furtherance of the performance of this Agreement. All Notices or other communication required or permitted to be given hereunder shall be in writing and shall be deemed given three (3) days after delivery by United States mail, regular mail postage prepaid, or upon receipt by personal or facsimile delivery, addressed as follows:

Jim Eldridge
City Administrator
Kearney Missouri
100 E. Washington St.
Kearney, MO 64060
Telefax No.: 816-628-4543

(12) VENUE: It is agreed by the parties that any action at law, suit in equity, or other judicial proceeding to enforce or construe this Agreement, or regarding its alleged breach, shall be instituted only in the Circuit Court of Cole County, Missouri.

(13) INDEMNIFICATION:

(A) To the extent allowed or imposed by law, the Applicant shall defend, indemnify and hold harmless the Commission, including its members and department employees, from any claim or liability whether based on a claim for damages to real or personal property or to a person for any matter relating to or arising out of the Applicant's wrongful or negligent performance of its obligations under this Agreement.

(B) The Applicant is required or will require any contractor procured by the Applicant to work under this Agreement:

(1) To obtain a no cost permit from the Commission's district engineer prior to working on the Commission's right-of-way, which shall be signed by an authorized contractor representative (a permit from the Commission's district engineer will not be required for work outside of the Commission's right-of-way); and

(2) To carry commercial general liability insurance and commercial automobile liability insurance from a company authorized to issue insurance in Missouri, and to name the Commission, and the Missouri Department of Transportation and its employees, as additional named insureds in amounts sufficient to cover the sovereign immunity limits for Missouri public entities ($500,000 per claimant and $3,000,000 per occurrence) as calculated by the Missouri Department of Insurance, Financial Institutions and Professional Registration, and published annually in the Missouri Register pursuant to Section 537.610, RSMo.

(C) In no event shall the language of this Agreement constitute or be construed as a waiver or limitation for either party's rights or defenses with regard to each party's applicable sovereign, governmental, or official immunities and protections as provided by federal and state constitution or law.

(14) NO INTEREST: By placing and maintaining signs on the Commission's right of way, the Applicant gains no property interest in Commission's right of way. The Commission shall not be obligated to keep the sign(s) in place if the Commission, in its sole discretion, determines removal or modification of the sign(s) is in the best interests of the state highway system or the Commission.

(15) SOLE BENEFICIARY: This Agreement is made for the sole benefit of the parties hereto and nothing in this Agreement shall be construed to give any rights or benefits to anyone other than the Commission and the Applicant.

(16) AUTHORITY TO EXECUTE: The signers of this Agreement warrant that they are acting officially and properly on behalf of their respective institutions and have been duly authorized, directed and empowered to execute this Agreement.

(17) ENTIRE AGREEMENT: This Agreement represents the entire understanding between the parties regarding this subject and supersedes all prior written or oral communications between the parties regarding this subject.

(18) ATTACHMENTS: The following Exhibits and other documents are attached to and made a part of this Agreement:

Key features

- Cornice and plinth rail help create a uniform expression when two or more units are connected together.

- The shelves are adjustable so you can customize your storage as needed.

- Two fixed shelves provide increased stability.

- Adjustable feet for stability on uneven floors.

- The accompanying damper allows the doors to close slowly, silently and softly.

- Glass-door cabinet keeps your favorite items free from dust but still visible.

Good to know

Different wall materials require different types of fasteners. Use fasteners suitable for the walls in your home.
Two people are needed to assemble this furniture.
We recommend you secure this furniture to the wall with the enclosed safety device to prevent it from tipping over.
Handle with care! A damaged edge or scratched surface can in exceptional cases cause the glass to crack suddenly. However, never into sharp fragments, only into small pieces. Avoid collisions from the side - this is where the glass is most vulnerable.

Care instructions

Wipe clean using a damp cloth and a mild cleaner.
Wipe dry with a clean cloth.

Proposed basketball court in Lion's Park
- Phase 1 - south half of court
- Phase 2 - north half of court

No lights are proposed as the park is open from dawn to dusk

The north edge of the court is approximately 30 from the edge of West 1st Street, as shown.

Porposed concrete pad is 54' x 88', which fits a normal court with an additional 2' border.

The Rotary Club proposed to construct phase 1 of the project.

Board Minutes July 1, 2013

JACOB HILEY, REQUEST FOR BLDG PERMIT WAIVER, $86.40 FOR METHODIST CHURCH STORAGE MEZZANINE, EAGLE SCOUT PROJECT
Due to absence of Jacob Hiley, a motion was made by Alderman Holt and seconded by Alderman Patterson to table the request for a building permit waiver for Eagle Scout Project until the next meeting. The motion carried unanimously.

JOE WILMES, ROTARY CLUB, PROPOSAL TO CONSTRUCT BASKETBALL COURT IN LION'S PARK Joe Wilmes, Rotary Club presented a site plan of a proposed basketball court to be constructed in Lion's Park. He said they are applying for a matching grant to build Phase 1. It would be located in the Northwest corner of the Park across the creek.

Mr. Wilmes said they would build a 54 foot by 44 foot concrete pad with a goal and striping. There would be no lights since the Park is Dawn to Dusk Park.

Eric Marshall said they have been to the Park Board and they approved the project.

Alderman Couchman said the Park Board may come back to the City to see about the second half of the court being done by the City.

Mayor Dane said we will talk to concrete workers in town about maybe getting some of the work donated.

A motion was made by Alderman Spencer and seconded by Alderman Couchman to approve the proposal by the Rotary Club to construct a basketball court in Lion's Park. Alderman Patterson and Alderman Holt abstained with Alderman Couchman, Alderman Spencer and Mayor Dane voting aye. The motion carried by a vote of three to zero.

ALDERMEN DISCUSSION

ALDERMAN PATTERSON Alderman Patterson said the flag on the flagpole at Jesse James Park is getting tattered and he wondered if it could be changed before the July 3rd fireworks.

Larry Pratt said it would be taken care of.

ALDERMAN HOLT Alderman Holt said there are more walkers all the time along 92 Highway from Porter's Apartments. He said he is afraid someone is going to get run over.

Staff said we are looking about grants to do sidewalks along 92 Highway. It will have to be approved by the State Highway Department.

ADJOURNMENT There being no further business on the agenda, a motion was made by Alderman Spencer and seconded by Alderman Couchman to adjourn. The motion carried unanimously.

GENERAL RELEASE AND SETTLEMENT AGREEMENT

WHEREAS, the City of Kearney Missouri entered into a Development Agreement on October 22, 2001 with Laffey Brothers Farms, Inc. (Laffey) for the development of Hills of Westwood subdivision; and

WHEREAS, said agreement was recorded and runs with the subdivision land requiring any Developer of said subdivision to make certain road improvements; and

WHEREAS, Laffey has and currently intends to sell all of the remaining undeveloped portion of the subdivision and has not fully completed the road Improvements; and

WHEREAS, because Laffey after the sale of all of his subdivision property will not be able to comply with the terms of the Development Agreement and desires to be released from any such obligations; and

WHEREAS, City desires to encourage the sale of the remaining subdivision property to facilitate its prompt residential development;

NOW THEREFORE, for and in consideration of the above stated considerations and the sum of $10.00, receipt of which is hereby acknowledged, the City does hereby RELEASE Laffey Brothers Farms, Inc. and its President Forrest James Laffey of and from any and all claims and demands which the City now has or may hereafter have on account of or arising out of the said October 22, 2001 Development Agreement between the parties but specifically reserving all of the city's rights to require compliance with the terms thereof before the subdivision property may be further developed by and new owners.

THE City represents that this agreement has been approved by its Board of Aldermen and its Mayor authorized to sign.

Re. Hills of Westwood

Dear Bruce:

I am responding to your letter of May 16, 2016 to Kearney Mayor Bill Dane.
Don Laffey entered into a Development Agreement on October 22, 2001 in regard to needed improvements in the development of the Hills of Westwood subdivision.
The itemized needed improvements were prepared by TranSystems Corporation working for the City. The following is a listing of the items which have yet to be completed by Laffey:

A. Laffey has not yet milled and replaced Nation Road adjacent to his subdivision to a 24' width, with a 2' gravel shoulder without curbs and gutters and graded to a 60' width. Laffey has also not placed an amount into escrow to pay for ½ of a North and South turn lane.
B. Laffey has not yet constructed:

1. A northbound right-turn lane on Nation Road at the North Drive.

2. A northbound left turn lane on Mo. Rt. 33 at N.E. 162St.

3. A northbound left-turn lane on Nation Road at the South Drive.

4. A northbound left-turn lane on Nation Road at the Central Drive.

5. A northbound left-turn lane on Mo. Rt. 33 at the Cedarwood Drive.

6. Re-construct N.E. 162nd St to improve sight distance between Mo. Rt. 33 and the west edge of the development.

7. Construct shoulder and/or curbs along Nation Road and N. E. 162 St.

It is our understanding that you would like to release Don Laffey and the Hills of Westwood property from the above mentioned unfulfilled requirements. The City is willing to consider such a release so long as simultaneously a new Development Agreement with the new owner is entered into whereby the sum of $2000 per building permit is paid into an escrow account with the City to pay for needed improvement caused by the Westwood development as determined by the City.

If this is agreeable please let me know and we can start on preparation of a new Development Agreement.

Yours truly,

R. Brian Hall

Re: Hills of Westwood

Dear Mayor Dane,

I have been retained by Don Laffey of Laffey Brothers Farms, Inc., (Laffey) to contact you regarding the Development Agreement dated October 22, 2001. As you should be aware Laffey desires to sell and convey to Deer Valley LLC Phases 4 and 5 of Hills of Westwood, composed of approximately 12 acres. In looking over this Agreement, I assume there are some obligations which have been fulfilled and some which have not. Please advise me of any improvements which the City believes to be unfinished.

Enclosed herewith is a draft of a Release and Amended Development Agreement, which can be completed upon receipt of your position. If you have any questions or problems, please advise.

Sincerely yours,

BRUCE B. BROWN

RELEASE AND AMENDED DEVELOPMENT AGREEMENT

This Release and Amended Development Agreement is entered into this ___ day of May, 2016, by, between, and among Laffey Brothers Farms, Inc. (Laffey), The City of Kearney, Missouri, a Municipal Corporation (City) and Deer Valley, LLC (Deer Valley).

WHEREAS, on the 22nd day of October, 2001, Laffey and the City entered into a development agreement, a copy of which is attached hereto and incorporated herein by reference.

WHEREAS, the Development Agreement involved Laffey's plans on developing its proposed Hills of Westwood subdivision located west of Nations Road to be completed in five (5) phases.

WHEREAS, Laffey has completed Phases 1, 2, and 3, and desires to sell and convey Phases 4 and 5, composed of approximately 12 acres, to Deer Valley and assign all of the rights and remaining obligations of Laffey under the Development Agreement to Deer Valley; and Deer Valley desires to purchase Phases 4 and 5 and to assume all of the rights and remaining obligations of Laffey under the Development Agreement as to Phases 4 and 5.

WHEREAS, pursuant to Paragraph 17 of the Development Agreement, the benefits of this Agreement are personal to Laffey and may not be assigned without the express written approval of the City, and the City may not unreasonably withhold approval of an assignment.

WHEREAS, pursuant to the Development Agreement, the City and Laffey agreed to perform improvements. The City has identified the following improvements as not completed and still being the responsibility of Laffey to complete: ????

DEVELOPMENT AGREEMENT

This development agreement is entered into this 22nd day of OCTOBER 2001 by and between LAFFEY BROTHERS FARMS, INC. (Laffey) (Developer) and THE CITY OF KEARNEY, MISSOURI, a Municipal Corporation (City) as follows:

WHEREAS, Laffey plans on developing its proposed Hills of Westwood subdivision located west of Nations Road, and

WHEREAS, the Developer has hired TranSystems Corporation to develop a study of the impact of his proposed residential development on the surrounding public street system (attached hereto as EXHIBIT A), and

WHEREAS, a letter of understanding was signed by Laffey on March 9, 1998, a copy of which is attached hereto as EXHIBIT B, and

WHEREAS, because of the ultimate size of said subdivision and its location there will be needed water and sewer extensions, water tower sites and ultimately stop lights, turn lanes and road improvements, and

WHEREAS, in order for the parties to come to an understanding as to needed improvements, the party making said improvements and how costs for said improvements shall be shared, this agreement is entered into, and

WHEREAS, this agreement is necessary to provide for the safety, health and general welfare of the public and to provide for the orderly development of City.

NOW, THEREFORE, in consideration of the foregoing recitals and other valuable consideration the safety and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. The terms of this agreement apply to the following property and all portions thereof: Hills of Westwood Development as set forth on the attached EXHIBIT C.

2. The parties agree that the following improvements outlined in this agreement are necessary and are reasonably related to the impact of the proposed development of the property and shall be paid for by Developer as herein set out:

A. Developer, Laffey, agrees that it will extend the existing gravity sanitary sewer line from its existing terminus at Manhole __/-/____ on the Couchman Industrial Park Sanitary Sewer Plans dated 1/11/99, along 6th Street (formerly known as Lovers Lane and now existing as a dirt road) and thereafter in a generally westerly direction along said 6th Street to the west boundary of the Nations Road right of way.

B. Laffey agrees to dedicate the aforementioned sanitary sewer extension to the City at such time as City certifies that it complies with all applicable City ordinances and the City takes such action as to formally accept the same.

C. Laffey will be responsible for utility relocations on the west side of Nations Road and the southside of 162nd Street only.

3. OFF SITE IMPROVEMENTS TO BE PAID FOR BY Developer:

A. Developer agrees that it will cause all portions of Nations Road adjacent to Developer's property to be milled and replaced in accordance with APWA standards to a width of 24' with a 2' gravel shoulder without curbs and gutters and graded to a width of 60' which shall be done at or before such time as any permits are issued for a second plat of said subdivision. In addition, Developer will place in escrow with City an amount sufficient to pay for one-half of a North and South turn lane.

B. Laffey agrees to dedicate to the City a water tower site as set forth on his proposed subdivision plat at the time of preliminary plat approval.

4. ADDITIONAL IMPROVEMENTS PURSUANT TO TRANSYSTEMS CORPORATION STUDY. Both parties to this development agreement recognize that the foregoing improvements are not all of the improvements which will be required as a result of the proposed subdivision.

A. It is agreed that the TranSystems study attached hereto as EXHIBIT A accurately sets forth the additional improvements which will be required to service such subdivision. It is also recognized that there is additional developable land adjacent to both Nations Road and 162nd Street which should equitably share in any such additional improvement.

B. City agrees that because of the scope and costs of the improvements set forth in the TranSystems study that it will, in its best and sole judgment:

1. apply for any federal, state, county or regional grants to apply toward the costs of said improvements.

2. attempt by agreement with Developer or others to create a Neighborhood Improvement District to help fund the costs of said improvements.

C. It is agreed that the "existing plus partial development" needed improvements as set forth on page 9 of EXHIBIT A shall be installed, or the cost thereof escrowed by Developer at such time as Developer's subdivision contains 250 completed resident units.. Laffey shall escrow for an amount equal to 33-1/3% of the cost of such "partial development" improvements after application of any funds derived from City's actions in Paragraph B above.

D. When "Full Development" of said subdivision occurs as defined in EXHIBIT A (i.e. 352 completed residential units) then Laffey agrees to pay 33-1/3% of the cost of said improvements after application of any funds derived from City's actions in Paragraph B above, all as set forth in EXHIBIT A on page 9 under the title, "Existing Plus Full Development Improvements."

5. STANDARDS: The Developer will construct the Improvements according to the standards and specifications required by the City's Ordinances.

6. WARRANTY: The Developer warrants that the Improvements, each and every one of them, will be free from defects for a period of two years from the date that the City accepts the dedication of the last improvement completed by the Developer.

7. COMMENCEMENT AND COMPLETION PERIODS: Developer will commence work on said required improvements at such time as provided in this agreement or as requested by City pursuant to written demand.

8. The parties agree that execution of this agreement in no way constitutes a waiver of any requirements of applicable City ordinances with which Developer must comply and does not in any way constitute prior approval of any future proposal for development.

9. Developer agrees to record this agreement with the Recorder of Deeds for Clay County, Missouri and to pay the cost of said recording and provide a copy of the recorded agreement to the City. The covenants herein shall run with the land described in paragraph 1 of this agreement and shall be binding and inure to the benefit of the parties hereto and their successors or assigns and to any future and subsequent purchasers.

10. EVENTS OF DEFAULT: The following conditions, occurrences or actions will constitute a default by the Developer:

A. Developer's failure to commence construction of the Improvements as herein required.

B. Developer's failure to place in escrow amounts represented by this Agreement.

C. Developer's failure to complete construction of the Improvements as herein required.

D. Developer's failure to cure the defective construction of any improvement within a reasonable period of time.

E. Developer's failure to perform work within the Subdivision for a period of more than 90 consecutive days.

F. Developer's insolvency, the appointment of a receiver for the Developer or the filing of a voluntary or involuntary petition in bankruptcy respecting the Developer.

G. Foreclosure of any lien against the Property or a portion of the Property or assignment or conveyance of the Property in lieu of foreclosure. The City may not declare a default until written notice has been given to the Developer

11. MEASURE OF DAMAGES: The measure of damages for breach of this Agreement will be the reasonable cost of completing the Improvements. For improvements upon which construction has not begun, the estimated cost of the Improvements will be prima facie evidence of the minimum cost of completion; however, neither that amount or the amount of the letter of credit establishes the maximum amount of the developer's liability. However, in any event, the Developer's maximum liability will not exceed $ 150,000. The City will be entitled to complete all unfinished improvements at the time of default regardless of the extent to which development has taken place in the Subdivision or whether development ever commenced.

12. CITY'S RIGHTS UPON DEFAULT: When any event of default occurs, the City may draw on the letter of credit to the extent of the face amount of the credit less 90 percent of the cost of all improvements theretofore accepted by the City. The City will have the right to complete improvements itself or contract with a third party for completion, and the Developer hereby grant to the City, its successors, assigns, agents, contractors, and employees, a nonexclusive right and easement to enter the Property for the purposes of constructing, maintaining, and repairing such improvements. Alternatively, the City may assign the proceeds of the letter of credit to a subsequent developer (or a lender) who has acquired the Subdivision by purchase, foreclosure or otherwise who will then have the same rights of completion as the City if and only if the subsequent developer (or lender) agrees in writing to complete the unfinished improvements. In addition, the City also may suspend final plat approval during which time the Developer will have no right to sell, transfer, or otherwise convey lots or homes within the Subdivision without the express written approval of the City or until the Improvements are completed and accepted by the City. These remedies are

cumulative in nature; except that during the Warranty Period, the City's only remedy will be to draw funds under the letter of credit.

13. INDEMNIFICATION: The Developer hereby expressly agree to indemnify and hold the City harmless from and against all claims, costs and liability of every kind and nature, for injury or damage received or sustained by any person or entity in connection with, or on account of the performance of work at the development site and elsewhere pursuant to this Agreement. The Developer further agree to aid and defend the City in the event that the City is named as a defendant in an action concerning the performance of work pursuant to this Agreement except where such suit is brought by the Developer. The Developer is not an agent or employee of the City.

14. ATTORNEYS FEES: Should either party be required to resort to litigation, arbitration, or mediation to enforce the terms of this Agreement, the prevailing party, plaintiff or defendant, will be entitled to costs, including reasonable attorney's fees and expert witness fees, from the opposing party. If the court, arbitrator, or mediator awards relief to both parties, each will bear its own costs in their entirety.

15. VESTED RIGHTS: The City does not warrant by this Agreement that the Developer is entitled to any other approvals required by the City, if any, before the Developer is entitled to commence development of the Subdivision or to transfer ownership of property in the Subdivision.

16. THIRD PARTY RIGHTS: No person or entity who or which is not a party to this Agreement will have any right of action under this Agreement, except that if the City does not exercise its rights within 90 days following an event of default, a purchaser of a lot or home in the Subdivision may bring an action in mandamus to compel the City to exercise its rights.

17. BENEFITS: The benefits of this Agreement to the Developer are personal and may not be assigned without the express written approval of the City. Such approval may not be unreasonably withheld, but any unapproved assignment is void. Notwithstanding the foregoing, the burdens of this Agreement are personal obligations of the Developer and also will be binding on the heirs, successors and assigns of the Developer. There is no prohibition on the right of the City to assign its rights under this Agreement. The City will release the original developer's letter of credit if it accepts new security from any developer or lender who obtains the Property. However no act of the City will constitute a release of the original Developer from his liability under this Agreement.

18. This agreement shall constitute the complete agreement between the parties and any modification hereof shall be in writing subject to the approval of the parties.

19. Any provision of this agreement which is not enforceable according to law will be severed 'here from' and the remaining provisions shall be enforced to the fullest extent permitted by law.

20. The undersigned represent that they each have the authority and capacity from the respective parties to execute this agreement. This agreement shall be construed under the laws of the State of Missouri and shall be binding upon the heirs and assigns of the parties.

21. This agreement shall not be effective until approved by an ordinance duly enacted by the Board of Aldermen of Kearney, Missouri.

22. NOTICES: Any notice required or permitted by this Agreement will be deemed effective when personally delivered in writing or three (3) days after notice is deposited with the U.S. Postal Service, postage prepaid, certified, and return receipt requested, and addressed as follows:

Speed Report

To: David Pavlich <dpavlich@kearneymo.us>

Sure thing. Just an FYI, our process for these will be to do a press release prior to making the change.

The speed changes are as follows:

MO 92 Between roundabouts – change 35mph to 45 mph

MO 92 East of town
- Move 45/55 mph speed break to west side of Clear Creek.
- Move 35/45 mph speed break to east side of Porter Ridge Rd
- Remove 25 mph speed zone. This will make the speed limit 35 mph from Sam Barr Rd to Porter Ridge Rd.

MO 33 South of town
- Change speed limit entering town from 40 mph to 55 mph.
- Speed limit will drop to 45 mph just south of Meadowbrook Dr.
- Speed limit will drop to 40 mph at 19th Street

MO 33 North of town
- Even up the 25/35 mph speed break for NB and SB directions.
- Shift 35/45mph Speed break from west side of I35 bridge to East side of I35 bridge
