

13th Annual Mayor's Christmas Tree Walk

It's that time of year once again. Time to dust off the Christmas lights and decorations, and decorate a tree in Jesse James Park! The city will provide the tree and electricity, and you provide the lights, extension cords, decorations, and most of all: your creativity.

No reservations are needed. Just pick out a tree along the trail in Jesse James Park and decorate it.

We do ask that you put a sign in front of your tree, so everyone can see who decorated it.

Decorate your trees starting November 15th.

We will turn on the power to the lights on Saturday, December 1st. Please take your decorations down promptly after January 1st. Decorations left up after January 13th will be discarded.

Lastly, we encourage you to attend a Magical Night: A Downtown Kearney Christmas at the Firehouse Community Center from 5:00pm - 8:30pm on Saturday, December 1st. There will be treats, a tree lighting, and a visit from Santa!

Contact Eric Marshall at 903-4724, or Ryan Marcotte at 903-4730 for more information regarding the Christmas Trees in the Park.
